WE WILL HELP YOU LAUNCH YOUR CAREER
A degree from OSU will set you up for career success. OSU alumni are consistently in the top 20% of best paid graduates in the US and many participate in OPT and CPT opportunities. Our dedicated staff of career advisors support our students with:

• Internship placement support
• Career development workshops
• Access to a vast database of job boards
• Networking with industry inside and outside the classroom

Contact a current student by joining us on Facebook.com/INTO.oregonstate or via WeChat: INTO_OSU

ABOUT OREGON STATE UNIVERSITY
Founded in 1868, Oregon State University has a legacy of using progressive technology to develop groundbreaking research that has changed the way the world works. We inspire people to learn, explore and solve the most pressing issues facing our world for a healthier, rewarding and more sustainable future.

EARN YOUR DEGREE ON THE WEST COAST
Discover why so many international students choose to study on the West Coast.

• The city of Corvallis is consistently ranked as one of the best places to live in America.
• OSU is recognized as the #1 Safest College Campus in the US by ADT News.
• Major tech companies call Oregon’s ‘Silicon Forest’ home, putting OSU students in the ideal location to gain internship experience and launch their careers.
• Oregon State is known for incredible natural beauty and an affordable cost of living.

RESEARCH CHANGING THE WORLD WE LIVE IN
With a reputation as research pioneers, OSU continues to push the limits of research by providing students access to innovative technology.

• OSU has received over $442 million in research funding.
• OSU is one of only two universities to have received Land, Sea, Space and Sun grant designations.
• Students, faculty and alumni have developed groundbreaking technology in numerous fields including mobile technology, nuclear power, robotics, artificial intelligence.

THE INTO OSU ADVANTAGE
Oregon State University partners with INTO to create a support system for international students. Depending on qualifications, students can choose to enter the university directly or join the INTO OSU Academic English program, International Year One program or the Graduate Pathway program. During our Pathway programs, you will enter a fully integrated program where you will learn alongside your American peers to earn academic credits towards your OSU degree while developing your English skills. Upon successful completion of your Pathway program, you will progress to your OSU degree program.

INTO OSU is one of the oldest and most integrated Pathway programs in the US. OSU’s commitment to international education is evident in the purpose-built five-story International Living-Learning Center, which is a vibrant global hub of student life and educational activity, and also houses the INTO OSU Center.

PROGRESSIVE LEADERS IN STEM
OSU is a leader in the fields of Science, Technology, Engineering and Mathematics (STEM). Whether you study engineering, climate change, forestry, computer science, business or environmental science, OSU offers high-ranking programs that prepare students to excel in their future careers. OSU has invested in the quality of their education by hiring top-ranked faculty and developing state-of-the-art facilities that incorporate progressive technologies into the learning process.

YOUNGSUK OUM
Merchandising Management
South Korea

“The classes have a lot of interactive learning opportunities and are very engaging. I feel like I’m getting more support and resources to grow. Everything I want to pursue is within reach for me here at OSU.”

PATHWAY PROGRESSION RATE 2016-2017
Enrolled students are eligible students who enrolled as a degree-seeking student at OSU in their next term of study after successfully completing their Pathway.

518 STUDENTS PARTICIPATING IN OPT OR CPT IN 2018.
CULTURAL AND RELIGIOUS DIVERSITY

Being an OSU student means more than going to class. It also means collaborating across cultures to build an inclusive community. You will find spaces all over campus to practice your faith and share your culture. OSU provides seven centers to support students from different cultural backgrounds:

• Asian and Pacific Cultural Center
• Centro Cultural César Chávez
• Ettihad Cultural Center
• Lonnie B. Harris Black Cultural Center
• Native American Longhouse
• Pride Center
• Women’s Center

DISCOVER OUR CASCADES CAMPUS

Oregon State University’s second campus in Bend, Oregon allows you to experience American culture in an exciting city. With 300 days of sunshine, you can explore the great outdoors and pursue a degree with OSU's excellent resources. Surrounded by the Cascades mountain range, Bend is known as the “outdoor playground of the West.” Bend is world famous for its exceptional beauty, multiple parks, lakes and mountains and outdoor recreation like skiing, hiking and mountain biking. Some of the top majors available are energy systems engineering, hospitality management and tourism, recreation and adventure leadership.

LOCAL ATTRACTIONS

• Enjoy tax free shopping in Oregon
• Visit Crater Lake National Park, the deepest lake on the American continent
• Hike to over 200 waterfalls in Oregon
• Explore the Pacific Coast beaches in just 45 minutes from campus
• Ski on Mount Hood or anywhere in the Cascade Mountain Range

LANGUAGE AND CULTURAL SUPPORT

INTO OSU offers several language and cultural support services including the Cultural Ambassador Conversant Program, ongoing cultural adjustment support services, a Care and Conduct Coordinator, two language and cultural advisors and additional staff who speak a number of languages available to assist you.

• Cultural Ambassador Conversant Program
• Chinese and Arabic Language and Cultural Advisors
• Additional language speakers on staff: Arabic, Chinese, Spanish, Japanese, Korean, Russian, Kazakh, Malay, Portuguese, Hindi, Swahili, Sinhalese, Indonesian, Albanian, Bengali, and Italian
• Care and Conduct Coordinator to help students with any personal or cultural issues

LEARN MORE ABOUT OUR HOUSING OPTIONS: www.intostudy.com/osu/housing

OSU-CASCADES
A Legacy of World-Changing Research

For over 150 years, students, alumni and faculty have made outstanding achievements like developing the artificial heart valve, TRIGA Reactor, Glucose-monitoring contact lenses, wristband samplers that detect environmental chemicals and even a new shade of blue. OSU continues to push the limits of research by providing students access to innovative technology and $442 million in research funding beginning as early as their first year of their undergraduate program.

CELLPHONE BATTERY INSULATOR

If you are holding a smart phone, you likely are holding a piece of technology invented by OSU students. In 2015, researchers in the College of Engineering developed a metal-insulator-metal, or MIM diodes, which is the basis for technology used in most modern-day smart phone battery insulators.

QUANTUM COMPUTING

Quantum Spin Liquid, a new material created by OSU researchers, is a key step toward the next generation of supercomputers. These quantum computers will be able to solve problems well beyond the reach of existing computers while working much faster and consuming far less energy.

ROBOTIC MOBILITY

Imagine if robots had legs and could walk anywhere people could. Agility Robotics, a company first developed at OSU, is making robotic mobility a reality. Advanced mobility could change the future by enabling shipping to be more automated and opening up new possibilities in manufacturing and production.

NUCLEAR RESEARCH

Nuclear energy is the way of the future and OSU has worked for nearly two decades to make it safer. OSU has a leading nuclear testing facility available for student research. Through funding from the US Department of Energy, OSU developed a passive safety system that makes nuclear energy safer. OSU has a leading nuclear testing facility available for student research. Through

HEALTHCARE INDUSTRY

OSU is a leader in the healthcare field. We train the next generation of public health and human sciences professionals, and advance science through research, scholarship and practicum opportunities.

WOMEN IN THE ENGINEERING PROGRAM

OSU places the majority of female students enrolled in International Year One in Engineering positions on an OSU research team through the Office of Women and Minorities in Engineering.

LAND, SEA, SPACE AND SUN GRANT

As a leader in climate change research, OSU is also one of only two US universities to have land, sea, space and Sun Grant designations. This means OSU is involved with world-changing research in all four areas, something unique among American universities. OSU students conduct environmental research in Oregon’s vast mountain ranges, forests and nearby Pacific Ocean as well as on every continent including Antarctica. OSU even has a research forest on campus which has helped OSU be recognized as No. 2 in forestry globally by the Center for World University Rankings 2018.

YOUR CAREER STARTS HERE

It pays to be an OSU grad. OSU alumni who graduated with a bachelor’s degree are in the top 20% best paid graduates in the US.

PERSONALIZED CAREER SUPPORT

The key to launching your career is having a strong support system. OSU’s dedicated staff of career advisors provides multiple free career services, including:

- Internship and job placement assistance
- Career development workshops
- Résumé review and interview practice
- Career counseling
- Professional resume photoshoot
- Networking with industry professionals
- Handshake App – 5,000 jobs posted daily for students

INTERNSHIPS DRIVEN BY INDUSTRY

OSU offers several support services to find internship placements, including MECOP, which places students in paid internships in the fields of engineering, tech and business with top companies like Boeing, Intel, HP and Oracle.

JOBS ON CAMPUS

International students are eligible to work on campus up to 20 hours a week earning at least $11.25 per hour. In an academic year, you can earn an estimated $8,100 to help offset your educational costs in a variety of positions including research and laboratory assistantships as well as positions in business and special projects. These work experiences enhance your résumé and give you more opportunities to practice your English.

SUCCESSFUL OSU ALUMNI

- Saudi Aramco, #15 Most Powerful Arab Women by Forbes and Chief Engineer, Nabilah Al-Tunisi, Saudi Arabia
- NVIDIA, Co-founder and CEO, Jen-Hsun Huang, Taiwan
- Pixar, Production Designer, Oscar winner for Best Effects, Visual Effects for “Innspire”, Harley Jessup, America
- Panda Express, Co-founder, Peggy Cherng, America
- ASML System, Install Engineer, Karthiksel Rathinavel, India
- FIBA Holding, Engineer, banker, entrepreneur and philanthropist, Hüsnü Özyeğin, Turkey
- Nobel Prize in chemistry and Nobel Peace Prize, only person honored with two unshared Nobel Prizes in the world, Linus Pauling, America
Undergraduate Admissions
We offer several routes to admission. With more than 200 academic programs and flexible study plans and start dates throughout the year, we will help you find the option that’s right for you.

International Year One
International Year One allows you to begin earning credits toward your degree even if you do not meet the academic and English requirements for direct entry. You will receive additional support to help you succeed throughout your first year and graduate in the same amount of time as direct entry students. The length of the Pathway program that you qualify for is determined by your English language scores.

Entry Requirements
High school diploma, minimum GPA and English language requirements in one of the following tests. Additional requirements may apply.

<table>
<thead>
<tr>
<th>Pathway</th>
<th>1-Term</th>
<th>2-Term</th>
<th>3-Term</th>
<th>4-Term</th>
</tr>
</thead>
<tbody>
<tr>

<td>169 with 162 subscores</td>
<td>169</td>
<td>162</td>
<td>154</td>
</tr>
</tbody>
</table>

Note: Entry requirements are subject to change and may vary by program. For SAT requirements, please see the Undergraduate Admissions website.

English Language Program
If you do not meet the International Year One language entry requirements, you can enter our Academic English program to improve your academic and language skills. Once you have achieved the required language level and met the academic entry requirements, you can progress to International Year One or enter your degree program directly. Learn more on page 16.

Undergraduate Degree Program
Do you meet the English proficiency requirements? Please see the Undergraduate Admissions website for SAT requirements.

Direct Entry
If you meet the academic and English language requirements for your degree program, you can apply directly to Oregon State University.

Entry Requirements
High school diploma, minimum 3.0 GPA and English language requirements in one of the following tests. Additional requirements may apply.

Program Information
Start Dates for OSU Undergraduate Degree Programs
Fall 2019 | Winter 2020 | Spring 2020 | Summer 2020

Undergraduate Transfer
Have you earned credits from another college or university and want to transfer to Oregon State University? You can transfer directly into OSU or choose our Undergraduate Transfer Program (UTP) which is specifically designed to support international students through the process of transferring.

Why Choose UTP?
Discoying UTP provides a customized path to your bachelor’s degree. Before you arrive, we will personally evaluate your credits and give you an estimate of transferable credits to make sure you do not have to repeat coursework. Once you arrive on campus, our friendly staff will be available to help you transition into life at a four-year public research university. You will also have access to valuable resources including academic, English language and cultural support.

UTP Benefits
Transfer credits from your college or university level class to your degree
Unofficial Pre-Arrival Credit Evaluation (15 business days after receiving offer letter)
Personalized curriculum development
Quick turnaround time for offer (5-7 business days)
Guaranteed progression to any undergraduate program upon successful completion of your UTP
Academic advising throughout the program from progression and student success advisors
Scholarships available to qualified students
Graduate Admissions

OSU offers more than 80 graduate programs, many of which are ranked among the top in the nation. There are several different paths to begin earning your degree.

View program specific entry requirements at www.intostudy.com/osu/programs

Direct Entry
If you meet the academic and English language requirements for your degree program, you can apply directly to Oregon State University through the competitive entry process.

Graduate Pathway Program
Our Graduate Pathway programs allow you to begin earning credits toward your degree even if you don’t meet the direct entry requirements. The program will help build the academic knowledge and essential graduate study skills you need to successfully complete your master’s degree. You will receive the highest level of support with dedicated academic advisors throughout your program. The length of the Pathway program that you qualify for is determined by your English language scores, your personal choice and/or your chosen start term.

English Language Program
If you do not meet the direct or Graduate Pathway English entry requirements, you can enter our Academic English program to improve your academic and language skills. Once you have achieved the required language level, you can progress to a Graduate Pathway program or enter your degree program directly. Learn more on page 16.

OSU Direct Entry Degree Programs
Bachelor’s degree, minimum GPA and English language requirements in one of the following tests. Additional requirements may apply.

Minimum GPA
TOEFL IBT: 100 (25 subscores) or IELTS 7.0

Entry Requirements
Pathway 3-Term* 2-Term* 1-Term*
Minimum GPA 2.5 2.5 3.0
TOEFL IBT 90 (25 subscores) 95 (25 subscores)
IELTS 6.5 6.5 (6.0 subscores) 6.5 (6.0 subscores)
ILEA 15 15 (16 subscores) 15 (16 subscores)

Note: Entry requirements are subject to change and may vary by program. 3-Term and 2-Term MBA Pathway accepts bachelor’s in any discipline.

Progression Requirements
Pathway 3-Term* 2-Term* 1-Term*
Additional requirement for MBA only GMAT 500 with minimum 25th percentile in verbal, quantitative and integrated reasoning, and a minimum analytical writing score of 4.

Start Dates
INTO OSU Academic Programs are either 1-term (4 months), 2-term (8 months) or 3-term (12 months) in length. Each term is approximately 11 weeks.

New for 2019-2020
Graduate Pathway Relaunch
After 10 years of experience running the United States’ first ever Graduate Pathway programs, INTO OSU is excited to announce the total relaunch of an upgraded and highly versatile new Graduate Pathway model starting Fall 2019. The new model introduces new Pathways, new entry requirements, shorter time to graduation and the removal of additional external test requirements.

INTO OSU Graduate Pathway Programs

INTO OSU Direct Entry Degree Programs
Bachelor’s degree, minimum GPA and English language requirements in one of the following tests. Additional requirements may apply.

Minimum GPA Requirements
Minimum 3.0 GPA (overall and/or in all graduate level classes)
GMAT 500 with minimum 25th percentile in verbal, quantitative and integrated reasoning, and a minimum analytical writing score of 4.

English Language Requirements
TOEFL IBT: 100 (25 subscores) or IELTS 7.0

Graduate Admissions | 15

Graduate Admissions

INTO Oregon State University 2019-2020
The Academic English program at OSU prepares you for university study in the US. You will receive high-quality English language instruction and the academic skills to succeed at OSU.

What You Will Learn
- Understand US values in an academic setting.
- Present spoken and written ideas accurately and effectively in English.
- Write research papers with proper use of citations and references.
- Understand and use vocabulary common to academic disciplines.
- Take useful and accurate notes in academic lectures and presentations.
- Experience life on an American college campus while taking OSU credit-bearing classes.

Estimated Academic English Level Based on Test Scores

The table below shows what your estimated level of AE will be if you submit standardized test scores with your application. Students will be tested during Orientation to determine their final AE level placement.

<table>
<thead>
<tr>
<th>Estimated AE Level</th>
<th>TOEFL iBT</th>
<th>IELTS</th>
<th>IELA</th>
</tr>
</thead>
<tbody>
<tr>
<td>2</td>
<td>32-44</td>

<td>6.0</td>
<td>169</td>
</tr>
<tr>
<td>6</td>
<td>80</td>
<td>6.5</td>
<td>176</td>
</tr>
</tbody>
</table>

Guaranteed Level
If you score lower on the placement test than your estimated level based on standardized tests, you are guaranteed to be placed no more than one level lower than your estimated level. If you score higher than your estimated level, you will be placed according to your placement test score.

Key Program Facts
- Each term is 11 weeks.
- High school diploma required.
- No English language requirement; students assessed and placed upon arrival.
- Minimum age 16.
- 7 levels of instruction from true beginner to advanced.
- 18 hours of instruction per week.

For more information, visit: www.intostudy.com/osu/academic-english

Study Abroad with English

SAWE combines Academic English and OSU undergraduate classes. You will earn college credits in your field of interest without enrolling in a long-term degree. The program is customized for your English level and academic interest. Courses are available in liberal arts, business, engineering, public policy and the sciences.

Program Overview
Part 1: Academic English
Part 2: Academic English Classes and OSU Classes

Key Program Facts
- Each term is 11 weeks.
- Minimum age 16.
- High school diploma required with 2.5 GPA or completion of at least one year of study at a university overseas with a minimum 2.25 GPA.

English language requirements:
- TOEFL IBT 60 (minimum 23 subscore) or IELTS 5.5 or IELA 176 or Completion of AE Level 6

Find out more at www.intostudy.com/osu/study-abroad-with-english

Visiting International Student Program

Experience life on an American college campus while taking OSU credit-bearing classes as a non-degree student for up to one year. You will have access to OSU courses in liberal arts, business, engineering, public policy and the sciences. Other courses may be available on a case-by-case basis.

Key Program Facts
- Each term is 11 weeks.
- Minimum age 16.
- High school diploma required with 3.0 GPA or completion of at least one year of study at a university overseas with a minimum 2.25 GPA.

English language requirements:
- TOEFL IBT 60 (minimum 23 subscore) or IELTS 5.5 or IELA 176 or Completion of AE Level 6

Find out more at www.intostudy.com/osu/visiting-international-student-program

Summer and Special Programs

INTO OSU Special Programs provide a customized short-term experience at a US university.

Current offerings include:
- English+ Culture: 6-week language and culture course for university students in August each year.
- Summer Youth Experience: 25-week language, culture, and college preview program for high school students 16 years old and up.
