LAND, SEA, SPACE AND SUN GRANT

As a leader in climate change research, OSU is one of only two (alongside Cornell University) US universities to have Land, Sea, Space and Sun Grant designations. This means OSU is involved with research in all four areas.

“...I did a lot of research before starting my master’s. I remember I looked at companies like Mentor Graphics, Intel, Lime Research—I can’t even name all of them. I was looking at those companies and what kind of students they are looking for. I got in touch with a few student[s] on LinkedIn that went to Oregon State (who later worked) at Intel. I got their input of what it was like going to school [at OSU] and what kind of career opportunities [are available] right after.”

INTO OSU SUCCESS

84.8% OF ALL PATHWAY STUDENTS WERE ELIGIBLE TO PROGRESS AT OSU IN 2017-18. Eligible students are those who successfully completed the Pathway program and qualified for admission as degree seeking students. Enrolled students are those who enrolled as degree-seeking students in their next term of degree study at Oregon State University.

INTO OSU ADVANTAGE

INTO OSU is one of the oldest and most integrated Pathway programs in the US. OSU’s commitment to international education is evident in the purpose-built five-story International Living-Learning Center. The center is a vibrant global hub of student life and educational activity which also houses the INTO OSU Center.

INTO OSU provides services such as:

- Personalized academic, language and cultural support
- Targeted tutoring and self studying support resources
- Your own academic success and personal advisor
- Comprehensive orientation with free airport pickup
- English Conversation Partner Program
- Social events and trips around Oregon
- 150 INTO OSU and OSU staff and teachers to support students

THE INTO OSU ADVANTAGE

HOUSING AND DINING

Living in the heart of Beaver Nation
Living on campus places you steps away from all the resources you need to succeed in your first year and beyond. You’ll have the most convenient access to your classes, the library, dining halls and the recreation center, while living among American students in a diverse and welcoming community.

Experience a Global Village
There are a variety of affordable, convenient housing options on campus. With dining halls that feature international food and housing options with American roommates, you’ll have all the comforts of home while still experiencing American life. The Global Village, a popular housing option, groups international and American undergraduate students who are passionate about cultural exchange and global experiences. RESEARCH EXCELLENCE

For more than 150 years, students, alumni and faculty have made outstanding achievements including developing the artificial heart valve, TRIGA Reactor and wristband samplers that detect environmental chemicals.

GLUCOSE-SENSING CONTACT LENSES
The contact lens is a hypothetical application of a transparent sensor developed at OSU. The goals for expand contact lens sensors to range of tear fluid biomarkers, which can be used to identify a range of ocular disorders (dry eye disease, diabetic retinopathy, glaucoma, etc.), cancers (colon, prostate, breast, lung, etc.), multiple sclerosis and many other diseases.

ROBOTIC MOBILITY
Imagine if robots had legs and could walk on the same terrain as people. Agility Robotics, a company first developed at OSU, is making robotic mobility a reality. Advanced mobility could change the future by enabling shipping to be more automated and opening up new possibilities in manufacturing and production.

URSA ENGAGE
Students can apply to pursue a research or creative activity under the guidance of an OSU mentor, with an award of $750, and mentors receive $250 for project-related costs.

HANDS-ON BUSINESS RESEARCH
The College of Business Research Suite is outfitted with cutting-edge technology, space and design to conduct innovative research in business, market trends and consumer insights. Apply your research through entrepreneurship programs and access the C2C Marketing Lab. Students can also participate in the Advantage Accelerator, a unique program designed to assist startups in all stages of their growth. You will work directly with innovators and entrepreneurs to explore markets, develop products and obtain customers.

FACULTY SPOTLIGHT: YEONGJIN JANG
Yeongjin is an assistant professor of computer science in the Oregon State University College of Engineering’s School of Electrical Engineering and Computer Science. His research focuses on computer systems security, especially for identifying and analyzing emerging attacks to computer systems for building more secure systems. In addition to his academic work, he participates in cybersecurity capture the flag (CTF) contests. He received the Black Badge award from DEFCON, as the winner (team DEFKOR) of DEFCON 23 CTF (2015) and the winner (team DEFKOR00t) of DEFCON 26 CTF (2018). He was also one of the finalists (team Disekt) at the DARPA Cyber Grand Challenge final event in 2016.

YOUR CAREER STARTS HERE

It pays to be an OSU grad. OSU alumni who graduated with a bachelor’s degree are in the top 15% best paid graduates in the US.

GET READY FOR YOUR FUTURE

The top three attributes employers are seeking from recent graduates are:
1. Communication skills (written)
2. Problem-solving skills
3. Ability to work in a team

Gain these soft skills in all 170 majors, including public health, business and computer science.

INTERNSHIPS DRIVEN BY INDUSTRY
OSU offers several support services to find internship placements, including MECOP, which is unique to Oregon. With over 130 different companies participating in the program, MECOP places students in paid internships in the fields of engineering, tech and business with top companies like Boeing, Intel, HP and Oracle.

JOBS ON CAMPUS
There are many opportunities for OSU students with a minimum of $5,000 jobs available daily. International students are eligible to work on campus for up to 20 hours a week, earning an estimated $8,100 to help offset your educational costs.

*National Association of Colleges and Employers 2019

STUDENT JOURNEY

“My journey to obtain a PhD in Civil Engineering at Oregon State University was driven by my passion for research and a desire to contribute to the field of civil engineering. My time at OSU provided me with valuable opportunities to conduct research, attend conferences and collaborate with leading experts in the field. This experience not only enhanced my technical skills but also allowed me to develop a broader perspective on the challenges facing the industry.

Throughout my academic journey, I had the chance to work closely with distinguished faculty members who provided guidance and mentorship. The support from the Department of Civil and Construction Engineering was instrumental in helping me achieve my academic and professional goals.

Looking back, I am grateful for the experiences and connections I made during my time at OSU. The knowledge and skills I acquired have prepared me well for my future career endeavors. I would highly recommend the Department of Civil and Construction Engineering to anyone looking to pursue a career in this field.”

Yeongjin Ding, PhD in Civil Engineering, OSU Class of 2019

For more than 150 years, students, alumni and faculty have made outstanding achievements including developing the artificial heart valve, TRIGA Reactor and wristband samplers that detect environmental chemicals.
New Direct Routes

INTERNATIONAL DIRECT
All direct undergraduate degrees now have customized support and enhanced student experience for first year success.
For more information see pages 12-15

MASTER’S INTERNATIONAL DIRECT
Ming Hsing Electrical and Computer Engineering and Ming Hsing Computer Science now have enhanced first-term support.
For more information see page 17
Before you leave home to study at a university in the US, you might not know what it’s going to be like. With International Direct at OSU, you don’t have to worry about anything. You will receive the information you need predeparture. You will be met on arrival at the airport and taken to your ready-made room on campus. You will receive the orientation information and experiences that you need in a way that makes sense. You will have the full first-year experience of your academic major in the department and college where you are studying. At the same time, you will have peace of mind knowing that you have OSU’s international student expertise at your fingertips.

From selecting and registering for the right academic courses to accessing jobs, internships and other opportunities through on-campus support resources—we will be there for you every step of the way.

At OSU, we’ve been leading the way for international student support and success in the US. Through the years, we’ve helped international students grow to become leaders in their social and academic communities on campus as they gather the experiences that build their futures. We are right by your side to help you with the small decisions such as which room type would suit you best to the bigger decisions such as which degree specializations lead to which internships and jobs. Every undergraduate international student at OSU begins their journey with the standard OSU first-year experience with access to additional support and services for international students from INTO OSU and the Office of International Services (OIS). As an OSU undergraduate, we are here to ensure you start out on a good note.

A New and Improved Undergraduate Experience

We are happy to announce that from September 2020, OSU will launch a simplified and enhanced first-year experience for all international students. With three simple options to enter OSU undergraduate programs as an international student, you will start at OSU with the level of support that you need.

Our three entry routes—International Direct (ID), International Year One (IYO) and Academic English—accommodate students with varying levels of English and academic qualifications. International Direct is designed for international students that are independent and fully qualified but may benefit from some support and assistance in adjusting to university life in the US. International Year One (Pathway) provides more structure and support in the first three or four terms for students whose academic and language qualifications are below International Direct requirements. Finally, for students that are not quite ready to start academic courses, our Academic English program will help you build the language skills to reach the level required to start an ID or IYO program.

The Power of International Direct

98.3% OVERALL SATISFACTION

For International Year One in 2019

INTO Annual Student Experience Survey 2019

COMPREHENSIVE INTERNATIONAL SUPPORT

From your first days we provide pre-arrival advice, arrival support and acclimation orientations after arrival. Once you’re on campus, the support doesn’t end. You will have access to cultural assistance and community building experiences to help you integrate on campus and build connections with friends and faculty.

INDIVIDUALIZED ADVISING AND GUIDED REGISTRATION

Our dedicated advisors will ensure that you register for the classes you need to feed your intellectual appetite and make sure you graduate on schedule. We will guide you through the registration process, so you don’t have to figure it out all on your own until you are ready to be fully independent.

TERM-LONG ORIENTATION

Starting in 2020, additional orientation will take place in small groups over an entire term as opposed to just one week when you are tired and jet-lagged. This means you will have more time to ask questions, attend seminars to learn university basics and adjust to American life in general. This gives you the best start for your studies and your life here in the US.

ACADEMIC SUPPORT RESOURCES

You have the same full access to all the academic support and tutoring resources provided to OSU undergraduate students. In addition, you have access to the INTO OSU Learning Center where you can take advantage of resources and tutoring specifically created for international students.

A PERSONALIZED STUDY PLAN

Your study plan will be established by your English level as well as your chosen major. Your priority registration process will include the core courses included in the First-Year Experience for your academic major as well as any language and Study Skills courses that you may need to ensure you are successful.

# Graduate Admissions

OSU offers more than 80 graduate programs, many of which are ranked among the top in the nation. There are several different paths to begin earning your degree.

- **Direct Entry**: If you meet the academic and English language requirements for your degree program, you can apply directly to OSU.

  - To apply, you must meet the following requirements:
    - University transcripts
    - Degree program requirements
    - English proficiency

- **Graduate Pathway**: Our Graduate Pathways allow you to begin earning credits toward your degree even if you do not meet the academic and English requirements for direct entry. The program will help build the academic foundation and essential English language skills you need to succeed in your master’s degree. View program-specific entry requirements at [www.intostudy.com/osu/programs](http://www.intostudy.com/osu/programs).

- **Academic English Language Program**: If you do not meet the direct or Graduate Pathway entry requirements, you can enter our Academic English program before progressing to either the UTP or direct transfer to Oregon State University.

## Why Choose UTP?

Choosing UTP provides a customized path to your bachelor’s degree. Before your program starts, Oregon State University will provide you with an estimate of credits that will transfer to the university. Once you arrive on campus, our friendly staff will be available to help you transition into life at a US university. You will also have access to helpful resources including academic, English language and cultural support. If you do not meet the English language entry requirements for the UTP, you can enter our Academic English program before progressing to either the UTP or direct transfer to Oregon State University.

## UTP Benefits:

- Transfer of credits from your college/university-level classes
- Receive customized curriculum of university credit-bearing courses
- Quick turnaround time for offer (5-7 business days)
- Unofficial Pre-arrival Credit Evaluation (5 additional business days after receiving offer letter)
- Guaranteed progression to any undergraduate program upon successful completion of your UTP
- Academic advising throughout the program including progression and student success advisors

## Why Choose OSU?

OSU is one of the top 50 academic institutions in the U.S. located in the Pacific Northwest. We offer a wide range of programs across multiple disciplines. Our campus is an excellent setting to pursue your academic goals, surrounded by scenic beauty and a vibrant community.

- **Academic Programs**: Over 300 programs across multiple disciplines
- **Research Opportunities**: Opportunities for students to engage in cutting-edge research
- **Located in the Pacific Northwest**: Enjoying a beautiful and diverse location

## Dates

### Start Dates

- **Fall 2020**: Sep 16, 2020
- **Winter 2020**: Dec 28, 2020
- **Spring 2021**: Mar 23, 2021
- **Summer 2021**: Jun 15, 2021

### Winter 2020

- **Dec 28, 2020**
- **Mar 23, 2021**
- **Jun 15, 2021**

## GRADUATE ADMISSIONS

If you meet the academic and English language requirements for direct entry to all other graduate programs, you can apply directly to OSU.

- To apply, you must meet the following requirements:
  - University transcripts
  - Degree program requirements
  - English proficiency

## Program Requirements

<table>
<thead>
<tr>
<th>Program</th>
<th>DIRECT ENTRY</th>

<tr>
<td>Academic English</td>
<td>Duolingo N/A</td>
<td>N/A</td>
</tr>
</tbody>
</table>

## Notes:

- **Direct Entry**: You can apply directly to a graduate degree program that has a Graduate Pathway option. English requirements for direct entry to all other graduate programs can be found on the Graduate School website: [www.gradschool.oregonstate.edu](http://www.gradschool.oregonstate.edu/). For specific requirements, please see the GSA website.
- **Graduate Pathway**: Our Graduate Pathways allow you to begin earning credits toward your degree even if you do not meet the academic and English requirements for direct entry. The program will help build the academic foundation and essential English language skills you need to succeed in your master’s degree. View program-specific entry requirements at [www.intostudy.com/osu/programs](http://www.intostudy.com/osu/programs).

## Why OSU?

- **Academic Programs**: Over 300 programs across multiple disciplines
- **Research Opportunities**: Opportunities for students to engage in cutting-edge research
- **Located in the Pacific Northwest**: Enjoying a beautiful and diverse location

## Master’s International Direct (MID)

Master’s International Direct provides comprehensive support and services for students in the first year of the MEng Electrical and Computer Engineering and the MEng Computer Science programs.

MID students are full degree-seeking students who are issued a Direct Entry I-20 and receive additional support and services alongside graduate academic classes to ensure first-term success as an international student. Students include:

- **Program-specific tutoring**
- **Airport pickup upon arrival**
- **Comprehensive orientation**
- **Academic advising**

The Academic English program at OSU prepares you for university study in the US. You will receive high-quality English language instruction and the academic skills to succeed at OSU.

What You Will Learn
- Understand US values in an academic setting
- Read, understand and critically evaluate academic texts
- Understand and use vocabulary common to academic disciplines
- Take useful and accurate notes in academic lectures and presentations
- Write research papers with proper use of citations and references
- Present spoken and written ideas accurately and effectively in English
- Learn about academic writing and research methodologies
- Study in the US. You will receive high-quality English language instruction and the academic skills to succeed at OSU.

Orientation to determine their final AE level placement.

</tbody>
</table>

Guaranteed Level
If you score lower on the placement test than your estimated level based on standardized tests, you are guaranteed to be placed no more than one level lower than your estimated level. If you score higher than your estimated level, you will be placed according to your placement test score.

Progression Requirements
Must meet academic entry requirements for desired program.

Undergraduate 4-Term Pathway
Completion of AE Level 3 with C/Pass or higher in all classes.

Undergraduate 3-Term Pathway
Completion of AE Level 4 with C/Pass or higher in all classes.

Undergraduate 2-Term Transfer Program
Completion of AE Level 5 with C/Pass or higher in all classes.

Undergraduate 1-Term Transfer Program
Completion of AE Level 6 with C/Pass or higher in all classes.

Graduate 3-Term Pathway
Completion of AE Level 5 with C/Pass or higher in all classes.

Graduate 2-Term Pathway
Completion of AE Level 6 with C+Pass or higher in all classes.

Undergraduate International Direct Admissions
Completion of AE Level 5 with C/Pass or higher in all classes.

Direct Transfer Undergraduate Admissions
Completion of AE Level 6 with C/Pass or higher in all classes.

Direct Graduate Admissions
Completion of AE Level 6 with B/Pass or higher in all classes. Some departments require standardized test scores. Application deadlines vary and additional requirements may be needed depending on program.

STUDY ABROAD WITH ENGLISH

Study Abroad with English combines Academic English and OSU undergraduate classes. You will earn college credits in your field of interest without enrolling in a long-term degree. The program is customized for your English level and academic interest. Courses are available in liberal arts, business, engineering, public policy and the sciences.

Program Overview
Part 1: Academic English
Part 2: Academic English Classes and OSU Classes

Key Program Facts
Each term is 11 weeks
High school diploma required
No English language requirement; students assessed and placed upon arrival
Minimum age 16
7 levels of instruction from true beginner to advanced
18 hours of instruction per week

Find out more at www.intostudy.com/osu/academic-english

VISITING INTERNATIONAL STUDENT PROGRAM

Experience life on an American college campus while taking OSU credit-bearing classes as a non-degree student for up to one year. You will have access to OSU courses in liberal arts, business, engineering, public policy and the sciences. Other courses may be available on a case-by-case basis.

Key Program Facts
Each term is 11 weeks
Minimum age 16
High school diploma required with 2.5 GPA or completion of at least one year of study at a university overseas with a minimum 2.25 GPA

English language requirements:
TOEFL iBT 60 or IELTS 5.5 or IELA 162 or Completion of Level 4 with minimum C/Pass grades in Study Abroad with English Part 1 or Academic English

Find out more at www.intostudy.com/osu/study-abroad-with-english

SUMMER AND SPECIAL PROGRAMS

INTO OSU offers customized, short-term programs for groups of 10 or more. We offer English teacher training programs and full-time academic programs to improve English and experience US university study. We also offer part-time programs available on a BI or tourist visa exploring various focus areas.

To learn more about our current programs or to submit a request for a customized program, please visit into.osu.oregonstate.edu/special-programs or email into.specialprograms@oregonstate.edu

Each term is 11 weeks
Minimum age 16
High school diploma required with 3.0 GPA or completion of at least one year of study at a university overseas with a minimum 2.25 GPA

TOEFL iBT 80 or IELTS 5.5 or IELA 176 or Completion of AE Level 6
