

# UNDERGRADUATE ADMISSIONS PROFILE

## MID-50 FALL 2021 CORVALLIS

Oregon State is the state's land grant university and is one of only three universities in the U.S. to have sea, space and sun grant designations as well. Oregon State welcomes applications from students who demonstrate preparedness for its academic programs.

Oregon State's admission requirements promote student success by assessing student preparedness and academic potential in the unique context of each student's personal experience. Admission assessment will consider all achievements, both academic and nonacademic, to enroll students with a broad range of characteristics and perspectives. These charts indicate the SAT and ACT score ranges and grade-point averages for the middle 50% of high school students admitted to Oregon State for fall 2021. The university conducts a holistic review of each student's application that takes into consideration many more factors than test scores and cumulative grade-point average. OSU adopted a test-optional admission policy for students entering in fall 2021 and beyond.

Please note that academic performance is not the sole criterion for admission to Oregon State. The university may evaluate a person's behavior and background to determine their ability to maintain the standards of academic and professional conduct expected at OSU. An evaluation may take into consideration current behavior and performance as well as past experiences and actions. Simply qualifying for admission does not guarantee admission.
