INFORMATION AND INSTRUCTIONS
FOR THE TRANSFER COURSE EQUIVALENCY PETITION

The Office of Admissions, with assistance from the academic units, determines the transferability of course work completed at other institutions, and the articulation to equivalent OSU courses. The transfer course equivalency petition provides an opportunity for the student and/or academic unit to identify articulation for a transfer course.

Procedures

Student:

1. Complete the top section on the reverse side of this form.

2. Prepare a packet for the department offering the OSU course you believe is equivalent to your transfer course. The packet should consist of this form, information from the appropriate college catalog, syllabus, textbook and anything you feel would be helpful in reviewing your request. Provide the packet to the department.

The Office of Admissions will notify you via an e-mail sent to your OSU account when the evaluation is completed and also will notify the academic department.

Department chair:

1. Complete the bottom section on the reverse side of this form.

2. Your recommendation for this course articulation will affect all future students who present this course for transfer. Once articulated, it should not be revised at a later time without substantive reason.

3. If you disapprove the equivalency to an OSU course but believe the transfer course satisfies a baccalaureate core requirement other than DPD (Difference, Power, and Discrimination), please indicate that on the reverse side.

4. If you have questions regarding this process, e-mail articulation@oregonstate.edu.

5. Please email this form to articulation@oregonstate.edu within one week.
